

IOSH Working Safely

Number of Delegates:	10 - 20
Course Duration:	1 Day
Course Outcome:	IOSH Certificate

A Skills People Group Company

Introduction

The IOSH Working Safely training course is suitable for all persons, at any level, carrying out any type of work within a business organisation, where there is a need to develop an understanding of the basic elements associated with working safely.

Aims & Objectives

This course aims to provide delegates with a core understanding of health and safety at work so that they are compliant with the relevant legislation and able to look after the safety of themselves and others in the workplace.

Course Delivery

This course is delivered through classroom-based tutorials including discussions, case studies and group exercises. All course delegates will receive the IOSH Safety Safety Workbook, which can be kept for future reference.

Location

Courses are available at training centres nationwide. This course can also be delivered on your premises subject to minimum delegate numbers and suitability of the venue. Please contact us for information.

Certification

IOSH Working Safely certificate.

Delegate Eligibility/Entry Requirements

It is important that all candidates have a good understanding of spoken and written English.
