

NPORS – Forward Tipping Dumper Experienced Worker Assessment

Number of Delegates:	1 – 6
Course Duration:	1 Day
Course Outcome:	NPORS ID Card / Certificate

Introduction

This course is designed for experienced operatives to prove their competence in safely and efficiently operating a forward tipping dumper to the occupational standards as laid down by the awarding organisation, NPORS.

Aims & Objectives

To test and assess the competency of a forward tipping dumper operator against a testing specification aligned to the national occupational standards. The delegate will undergo both a theory and practical test.

Course Delivery

This course is delivered using a mixture of both classroom based tutorials and practical machine operating, testing and a final course assessment paper.

Location

This course can be delivered on site or at a location suitable to you.

Certification

Successful delegates will qualify for a NPORS photo ID card and certificate of competence valid for 3 years.

Delegate Eligibility/Entry Requirements

It is important that all delegates have a good understanding of spoken and written English.

Additional Information

Delegates should be physically fit and inform the trainer if they are taking any medication that may affect their ability to operate machinery. Delegates will need to provide a passport photograph on the day of training and wear appropriate PPE.
