

IPAF Push Around Vertical (PAV)

Number of Delegates:	1 – 20
Course Duration:	½ Day
Course Outcome:	Card

Introduction

This course is designed for any operatives, managers or supervisors who use, or oversee the use of, PAVs.

Aims & Objectives

The aim of this course is to provide delegates with the necessary skills and knowledge to safely and effectively manoeuvre and position the PAV machine.

Course Delivery

This course is delivered through a combination of classroom-based theory and practical training.

Location

This course is available at a number of venues across the UK. Please contact us for information.

Certification

Delegates who already hold an IPAF PAL card will have their logbook endorsed with this qualification. Delegates who do not hold an IPAF PAL card will receive a PAL photo ID Card, which remains valid for 5 years.

Delegate Eligibility/Entry Requirements

It is important that all delegates have a good understanding of spoken and written English.

Additional Information

It is desirable, although not compulsory, that delegates have some experience of driving as an indication of dexterity.

A Skills People Group Company
