

Vehicle Banksman (Traffic Marshall)

Number of Delegates:	1 - 10
Course Duration:	1 Day
Course Outcome:	NPORS Card/Certificate

Introduction

This programme is designed for personnel who are responsible for supervising the movement of vehicles and pedestrians safely on a site.

Aims and Objectives

This course aims to provide delegates with a thorough understanding of the hazards associated with moving vehicles on a site and how to provide and maintain safe access routes for pedestrians and vehicles, through the implementation of effective control measures in order to reduce risks to their health.

Course Delivery

This programme is delivered using classroom-based tutorials with a high proportion of hands-on demonstrations and practical exercises.

Location

This course is delivered on your premises subject to suitability of the venue. Please contact us for information.

Delegate Eligibility/Entry Requirements

It is important that all delegates who attend this course have a good understanding of spoken and written English.

Certification

Construction Skills People accredited certificate or NPORS Card/Certificate.

If National Plant Operators Registration Scheme (NPORS) accreditation is required delegates must provide a passport photograph at the start of the course. NPORS registration is £35.00 per person.

A Skills People Group Company
