

Safety Harness Awareness

Number of Delegates:	1 - 10
Course Duration:	½ Day
Course Outcome:	Certificate

Introduction

This programme is designed for managers, supervisors and operatives who may require fall arrest protection.

Aims & Objectives

This course aims to provide delegates with a thorough understanding of the need for safety, the legislation and dangers associated with work that may require the need for a safety harness, and to enable delegates to use harnesses safely and correctly in conjunction with ladders and steps.

Course Delivery

This course combines classroom-based tutorials with practical exercises and group discussions.

Location

This course can be delivered on your premises or at a location suitable to you.

Certification

Construction Skills People accredited certificate or NPORS Card/Certificate.

Delegate Eligibility/Entry Requirements

It is important that all delegates have a good understanding of spoken and written English.

Additional Information

Delegates attending this course should be physically and mentally fit to withstand the rigours of training. For training held at your own premises please ensure you can accommodate the number of delegates attending, and provide a 240v power supply.

If NPORS accreditation is required delegates will need to provide a passport photograph at the start of the course. NPORS registration is £35 + VAT per person.

A Skills People Group Company
