

### NPORS – Crane Supervisor Experienced Worker Assessment

Number of Delegates:	1 – 6
Course Duration:	1 Day
Course Outcome:	NPORS ID Card / Certificate

#### Introduction

This course is designed for experienced operatives to prove their competence in safely and effectively operating as a crane supervisor to the occupational standards as laid down by the awarding organisation, NPORS.

#### Aims & Objectives

To test and assess the competency of a crane supervisor against a testing specification aligned to the national occupational standards. The delegate will undergo both a theory and practical test.

#### Course Delivery

This course is delivered using a mixture of both classroom-based tutorials and practical machine operating, testing and a final course assessment paper.

#### Location

This course can be delivered on site or at a location suitable to you.

#### Certification

Successful delegates will qualify for a NPORS photo ID card and certificate of competence valid for 3 years.

#### Delegate Eligibility/Entry Requirements

It is important that all delegates have a good understanding of spoken and written English.

#### Additional Information

Delegates should be physically fit and inform the trainer if they are taking any medication that may affect their ability to operate machinery. Delegates will need to provide a passport photograph on the day of training and wear appropriate PPE.
