

CITB Temporary Works Supervisor Training Course (TWSTC)

Number of Delegates:	6 - 20
Course Duration:	1 Day
Course Outcome:	Certificate

Introduction

This course is designed to assist those on site who have supervisory responsibilities managing temporary works. It is intended to raise and set standards across the industry by ensuring Temporary Works Supervisors (TWSs) have a thorough knowledge of their role and responsibilities.

Aims & Objectives

The aim of this course is to provide delegates with a good understanding of the need for and duties of a TWS, the need for risk management and the importance of the '4Cs': communication, co-ordination, co-operations and competency.

Course Delivery

This course is delivered through classroom-based tutorials, including a number of exercises and group discussions. A multiple choice assessment forms the examination process at the end of the course.

Location

This course is available at a number of training centres across the UK. Please contact us for information.

Certification

CITB accredited certificate.

Delegate Eligibility/Entry Requirements

It is important that all delegates have a good understanding of spoken and written English.

Additional Information

This course is constructed around the publication material BS5975.
