

IPAF Harness

Number of Delegates:	1 – 10
Course Duration:	½ Day
Course Outcome:	Certificate/Endorsement

Introduction

This course is designed for any operative, manager or supervisor who uses, or oversees the use of, a Mobile Elevating Work Platform (MEWP). Using a full body harness is strongly recommended when working from MEWPs.

Aims & Objectives

The aim of this course is to train delegates in the correct use, fitting procedures, maintenance checks for the harness and lanyard equipment. Relevant Health and Safety regulations will also be covered.

Course Delivery

This course is delivered through a mixture of theory and practical exercises.

Location

This course is available at a number of training centres across the UK. Please contact us for information.

Certification

Delegates who already hold an IPAF PAL card will have it endorsed with this qualification. Delegates who do not already hold an IPAF PAL card will receive an IPAF certificate.

Delegate Eligibility/Entry Requirements

It is important that all delegates have a good understanding of spoken and written English.

Additional Information

Delegates will need to bring their own harness and lanyard to be used in demonstrations.
