

## IOSH Managing Safely

Number of Delegates:	10 - 20
Course Duration:	3 Days
Course Outcome:	IOSH Certificate

### Introduction

Managing Safely is a course for managers and supervisors in any sector and any organisation. It's designed to give managers all they need to know to help them handle health and safety in their teams.

### Course Aims

This course aims to equip managers with the knowledge and skills required to manage health and safety in a proactive manner within the workplace.

### Course Delivery

This course is delivered through classroom-based tutorials including discussions, case studies and group exercises. All course delegates will receive the IOSH Safely Safety Workbook, which can be kept for future reference.

### Location

Courses are available at training centres nationwide. This course can also be delivered on your premises subject to minimum delegate numbers and suitability of the venue. Please contact us for information.

### Certification

IOSH Managing Safely certificate.

### Delegate Eligibility/Entry Requirements

It is important that all candidates have a good understanding of spoken and written English.
